

REMARKS/ARGUMENTS

The January 18, 2007 communication sets forth two groups, Group I (Claims 8-12), drawn to compositions and Group II (Claims 12 and 13), drawn to a process of making. Applicants hereby elect Group I, claims 8-12. Although the Examiner stated that Group II included claims 12 and 13 and are drawn to a process of making, Applicants believe that this was a typographical error and that Group II includes claims 13 and 14 as those claims are directed to a process for preparing a composition. As such, Applicants have cancelled non-elected claims 13 and 14, although Applicants reserve the right to file a Divisional Application directed to the subject matter of the non-elected claims prior to the issuance of a patent on those claims elected for further prosecution at this time.

The fee due in conjunction with the present Amendment is submitted herewith. Additionally, the Commissioner is hereby authorized to charge any additional amount required, or deposit any overpayment, to Deposit Account No. 19-2112.

Respectfully submitted,

/JEAN M. DICKMAN/
